

BUSINESS AFTER HOURS HOSTED BY EAST GEORGIA HEALTHCARE CENTER

The Greater Tattnall Chamber of Commerce sponsored a Business After Hours on Tuesday, March 13, 2007, hosted by East Georgia Healthcare Center, Inc., in their Reidsville office at 222 South Main Street. In addition to the Reidsville office, East Georgia Healthcare has offices in Swainsboro at 316 North Main Street and in Soperton at 109 Martin Luther King Drive.

David Avery, Executive Director with the Chamber, welcomed and thanked everyone for attending the event. He

introduced Mr. Herman Thompson, CIO, who explained the various services performed in each of their offices. Mr. Thompson conducted a tour of the facilities, which included a good number of examination rooms and a full line of equipment used in various medical procedures.

The evening was enjoyed by employees from all three of the company's facilities, including Jill Sorrells, CFO; Mary Hanson, RN; Linda Braswell; Carol Simmons; Meshia Williams, Teresa Cordova; Evelyn Carpenter; Catherine Braswell; Michele Roberts; Alice Smith; Beatrice Payne; and Wynola Smith, among others. Also attending were Jessica Sanders with Tattnall Healthcare, Alton Alford with the Gordonia-Altatamaha State Park, and Katina Madison with Concerted Services, who is a member of the Board of Directors with the Chamber, among others.

The various door prizes were a big hit with the crowd, donated by the host, the Chamber of Commerce, Tattnall Healthcare, and Alton Alford with the state park. Betty Jo Collins with Westside Foods in Cobbtown catered the event. The guests enjoyed the finger sandwiches, chicken drummets and wings, cucumber hors d'oeuvres, and other delicious items.

East Georgia Healthcare Center, Inc., is a not-for-profit, community based organization dedicated to improve the health and quality of life for all residents of Emanuel, Tattnall and Truetlin counties, regardless of their race, color, creed, religion, national origin, age, gender, disability, veteran status, and/or ability to pay. They have been in operation since 1994 and are committed to providing you and your families with the most efficient, respectful, and enthusiastic manner possible. Board Certified Physicians staff their offices and Family Nurse Practitioners, who practice general medicine, and are staffed by licensed nurses and certified medical assistants.
